ED initiated money laundering investigation on the basis of 03 FIRs filed by the CBI, on the complaints of lending Banks i.e. Industrial Finance Corporation of India Limited (IFCI Limited), Industrial Development Bank of India (IDBI) and Canara Bank who complained that M/s Sri Krishna Stockists & Traders Private Limited (SKSTPL) and M/s Sri Krishna Agriprocess India Pvt Ltd. The credit facilities were availed towards construction of storage facility for preserving, processing and resale of agricultural produce. All the credit facilities were secured through mortgage of immovable properties, stocks which were highly inflated in connivance with the employees of APITCO, MITCON and V C Rammohan, the then DGM of IFCI. Thota Kanna Rao had also manipulated the records /books of accounts and also managed to obtain fake work completion certificates and submitted the same to the financial creditor to justify the loans availed. Fund trail investigation by ED shows that the said loan amounts were withdrawn in cash and laundered by the accused to purchase various land parcels.
